

2050 Youth Sustainability Summit - (Honolulu, HI) – September 21, 2007

MA`O YLT Interns Ronson Pagdilao and Albryan Cambra were special guests to the 2050 Youth Sustainability Summit which gathered high school youth from across the state to discuss their feelings and views surrounding sustainability and the future of Hawai`i. Hosted by the Hawai`i 2050 Sustainability Task Force, the youth added their “voice” to the State of Hawai`i’s Sustainability Plan.
